User Guide

Hardware Reference Guide

Computer – Inspiron 22 3000 Touch

Intel Pentium Processor N3700 (2M Cache, up to 2.40 GHz)

22” (21.5 viewable) Touchscreen Display

4 GB RAM; 1 TB Hard drive Windows 10

Dell KM636 Wireless Keyboard and Mouse

Combo included 65 Watt AC Adaptor

Description: Used to access ClubReady website for running club and member check-in through ClubReady Web Kiosk. Internet access required to reach Club’s ClubReady website.

Internet Explorer 11 and **Google Chrome** are the **ONLY** web browsers that ClubReady should be used with. Use Microsoft Office or Open Office (any version that includes Word and Excel capabilities) for documents, and Adobe Reader for PDF files.

Hardware Reference Guide

Swivel Stand for All-In-One Computer

Description: Handy for flat panel monitors for screen sharing with your customers offering a 360 degrees of low friction rotation.

Hardware Reference Guide

Honeywell Genesis Barcode Scanner

Manufacturer: Honeywell

Model Name: Genesis

Model Number: 7580G-2

Part Number - MK7580-30B38-02-A

Description: Can be used for scanning client barcodes at check-in, but requires the ClubReady Web Kiosk to be the active screen, disrupting other users of the computer. It can also be used for assigning barcodes to new members, scanning product barcodes during a sale, and for searching for clients within Club Ready by scanning barcodes.

Internet Explorer 11 and Google Chrome are the **ONLY** web browsers that ClubReady should be used with. Use Microsoft Office or Open Office (any version that includes Word and Excel capabilities) for documents, and Adobe Reader for PDF files.

Hardware Reference Guide

Credit Card Reader

Manufacturer: Magtek, Inc.

Model Name: CENTURION

Part Number: mag-21073145

Security Level: 2

Description: Used to read credit cards only. Running cards through the reader captures the required information which is then stored in ClubReady for future use for that client. Only a USB keyboard wedge type will work.

NOTE: Please remember to verify it is setup as a keyboard wedge (keyboard emulation) and Security Level 2.
