

Complete Guide to Remit 3.0

This article will outline for all Xponential Brand studios everything you need to know about the upgraded Remit 3.0.

Take Note:

- You can access your remit in the same place you always have. No learning curve there! But just in case you need a refresher on how to access that, we've included those details in the [Introduction](#) section.
- We've added a **Transaction Fees** tab to your upgraded remit. ***This tab will be where all fees are detailed for complete clarity. More detailed information on this can be found in the [Transactions Fees](#) section.***
- We've added **Gift Cards** and **XPASS** credits as forms of payment. You can find complete details about this in the [Gift Cards](#) and [XPASS](#) section. In a nutshell, ***they are now directly included in the next day's remit instead of as adjustments two days later.***
